AFFORDABLE RENTAL HOUSING LIST

County of Orange
OC Community Resources
Affordable Rental Housing List

This list is intended to assist individuals looking for affordable rental housing throughout Orange County. **THIS IS NOT A LIST OF VACANCIES.** However, this list reflects affordable housing units in Orange County that are "Deed Restricted" (Affordable through governmental financing). The list may not represent 100% of the deed restricted units in Orange County due to the limitations of gathering the information. This list is designed to assist you in finding an affordable unit by providing the most comprehensive list currently available. Units are designated as affordable within the complex. Please call the number under CONTACT INFORMATION to find out if units are available and the associated rent for those units. Rents may vary between complexes.

Please note that OC Community Resources provides and maintains this list, however, OC Community does not assist individuals with looking for affordable rental housing units. Individuals must call the number under CONTACT INFORMATION to find out if units are available and the associated rent for those units. Rents may vary between complexes.

If you have any revisions/updates to this list, send them via e-mail to OCAffordableRentalHousingList@occr.ocgov.com. Please provide the property address and your requested revision(s).
