The Fiscal Year 2027-28 Funding Allocation Policy & Process (FAPP) outlines the proposed funding process and policies for distribution of Federal Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG) and Home Investment Partnerships Program (HOME) funds for housing, economic development, public facilities and improvements, public services, and property rehabilitation activities that benefit low- and moderate-income households.

The percentages of available funds listed in the FAPP are shown as estimated projections. Percentages of available funds will be dedicated to eligible activities that are consistent with the priority needs identified in the Orange County's FY 2025-29 Consolidated Plan (CP).

The Substantial Amendment to the FY 2026-27 Annual Action Plan is required to allow the County of Orange to reprogram \$79,660 as requested by the City of Yorba Linda to be taken from Multi-Family Housing Rehabilitation (Evergreen Villas Roof Rehabilitation Project) and be reallocated to a Public Facility & Improvement Project (Citywide Sidewalk and ADA Improvements).

Consistent with 24 CFR 91.105, Housing & Community Development (HCD) encourages citizen participation by receiving comments throughout the year and more specifically providing Public Notices and Public Hearings regarding funding for housing and community development activities.
